

AGN. NO. _____

MOTION BY SUPERVISOR DON KNABE

May 18, 2004

The Regional Planning Commission recently conducted a hearing regarding proposed revisions to the Rowland Heights Community Standards Districts and our Board is currently scheduled to hold a hearing on these proposed revisions on May 25, 2004. However, it has come to my attention that the community and staff are continuing to discuss revisions and enhancements to the proposed District and I believe it is premature for us to conduct our hearing until sufficient time is given for those discussions to be completed.

I, THEREFORE, MOVE that the Board indicate its intent to continue, without discussion, our currently scheduled May 25, 2004, hearing on revisions to the Rowland Heights Community Standard District, to June 22, 2004.
